

November 1st, 2015

Dear Parents,

The schedule for Monday morning drop-off will be as follows:

All morning drop-offs will still be at the Temple Israel location. This includes early care, 9:00 am and 10:30 am arrivals. The staff will be doing some special activities with the children, preparing for the new facility (i.e. decorating their very own cubby tags) and saying their goodbyes to our friends at Temple Israel.

They will then board a bus together and travel to our new location at 2174 Hewlett Avenue. On the way, they will make a special stop at Lakeside Preserve in connection with our unit on the 5 senses, so that the children can enjoy this educational experience in a beautiful outdoor setting.

Please sign the permission slip below.

I give permission for my child(ren) _____ to go on a trip to Lakeside Preserve and to 2174 Hewlett Ave. on Monday, November 2, 2015.
