What an amazing and memorable final week we had at Camp Gan Israel! Week 7 was filled with exciting activities, special programs, and wonderful moments as we enjoyed our last days of camp together. From swimming and water play to art, sports, science, cooking, and special trips, it was the perfect way to wrap up an incredible summer filled with friendship, laughter, and happy memories.

On Monday, JG and SG started the week with a trip to Newbridge for swimming, while TG and MG had lots of fun with water play at camp. Our campers also got creative during Art with Morah Emily and enjoyed a special visit from the librarian. It was a busy and exciting way to begin our final week together!

Tuesday was another action-packed day at CGI! Our campers enjoyed Music and Movement with Kayli, singing, dancing, and moving together. Coach Bernie from Super Soccer Stars kept everyone active as the campers practiced their soccer skills. TG, MG, and JG cooled down with water play, while SG headed to Newbridge for another fun day of swimming.

Wednesday was especially exciting for Senior Gan as they headed out on their much-anticipated trip to Adventureland! Back at camp, TG, MG, and JG enjoyed Yoga with Lana and cooled off with water play. Mad Science brought an extra dose of excitement and discovery, and we were also happy to welcome the librarian for another special visit. Wednesday was certainly packed with fun!

Thursday kept the excitement going as Senior Gan headed to Veteran's Memorial Pool for swimming, while TG, MG, and JG enjoyed water play at camp. We are so proud of our Senior Gan campers' swim progress this summer! Make sure to check out the swim progress reports that Nick sent home with you. Our campers also got moving with Rookies Gymnastics and had another fun, hands-on experience during Kosher Chefs. It was another busy day filled with activity and smiles!

Friday was the perfect way to celebrate the end of our incredible summer together! We started with Crazy Hair Day, and our campers showed off their funniest and most creative hairstyles. We enjoyed having our parents join us for Shabbat party, decorating our group photos and braiding Challah together! We ended our final Friday with one last exciting round of water play and an exciting petting zoo and pony rides!

What a way to end the summer! We will miss you all and can't wait for next year! Don't forget to register today for Summer Camp 2027 to secure your 20% discount at campgi.com/register.
